

Eco System®

Sustainable. Attainable at Mayer Fabrics.

PATTERN	CONTENT	ENVIRONMENTAL ATTRIBUTES
A New Era	100% Recycled Polyester	
Beguile	100% Recycled Polyester - 68% Pre-Consumer Polyester, 32% Post-Consumer Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Benefit	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Bulls Eye	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Burst	100% Post-Consumer Recycled Polyester	
Catalyst	100% Recycled Polyester	
Charade	100% Post-Consumer Recycled Polyester	Nano-Tex formulations and treated fabric samples are evaluated by authorized, independent organizations, including Oeko-Tex Standard 100, and are established as safe in all required categories of skin sensitivity, toxicity, environmental safety and personal health. Nano-Tex is MBDC cradle to cradle certified.
Component	100% Recycled Polyester	

PATTERN	CONTENT & BACKING	ENVIRONMENTAL ATTRIBUTES
Contours	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
Copa	100% Recycled Polyester - 55% Pre-Consumer Polyester, 45% Post-Consumer Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Ecosphere	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life. 100% of the electricity used is matched by GREEN-E certified Renewable Energy Certificate (www.green-e.org)
Element	100% Recycled Polyester	
Equal	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Equation	100% Recycled Polyester	
Equinox	100% Eco-Intelligent Polyester - Antimony Free	Free of Organohalogens (chlorine, bromine or flourine atoms bound to a carbon atom); Chlorine Free; No Chlorinated dyes, auxiliaries or other inputs present or used in manufacture. MBDC C2C Preferred Material Gold Certified. Eco Intelligence is a registered trademark of Victor Innovatex Inc.
Esprit	100% Recycled Polyester Stain Repellent Finish	
Europa	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life. 100% of the electricity used is matched by GREEN-E certified Renewable Energy Certificate (www.green-e.org)
Factor	100% Pre-Consumer Recycled Polyester	
Filigree	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.

PATTERN	CONTENT & BACKING	ENVIRONMENTAL ATTRIBUTES
Flower Power	100% Pre-Consumer Recycled Polyester	
Formations	100% Recycled Polyester - 75% Pre-Consumer Recycled Polyester, 25% Post-Consumer Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Foundation 10	100% Pre-Consumer Recycled Polyester Stain Repellent Finish	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life. 100% of the electricity used is matched by GREEN-E certified Renewable Energy Certificate (www.green-e.org)
Framework	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Full Circle	100% Recycled Polyester	
Grasscloth	100% Recycled Polyester - 68% Pre-Consumer Recycled Polyester, 32% Post-Consumer Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Harmony	100% Recycled Polyester	
Highlights	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Hoopla	100% Pre-Consumer Recycled Polyester	
Impressions	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
Jenga	100% Post-Consumer Recycled Polyester	
Karma	100% Post-Consumer Recycled Polyester	Nano-Tex formulations and treated fabric samples are evaluated by authorized, independent organizations, including Oeko-Tex Standard 100, and are established as safe in all required categories of skin sensitivity, toxicity, environmental safety and personal health. Nano-Tex is MBDC cradle to cradle certified.
Kismet	94% Pre-Consumer Recycled Polyester, 6% Post-Consumer Recycled Polyester	

PATTERN	CONTENT & BACKING	ENVIRONMENTAL ATTRIBUTES
Lineage	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
Locomotion	100% Pre-Consumer Recycled Polyester	
Lunar	100% Pre-Consumer Recycled Polyester	
Madras	100% Pre-Consumer Recycled Polyester	
Marvel	90% Pre-Consumer Recycled Polyester, 10% Post-Consumer Recycled Polyester	
Mirage	100% Post-Consumer Recycled Polyester Recycled Polyester Backing GreenShield Finish	GreenShield is certified SCS Indoor Advantage Gold and meets air quality emission requirements of Section CA 01350. GreenShield delivers stain resistance to fabrics with a dramatically reduced amount of chemicals that negatively impact the environment.
Moonscape	100% Post-Consumer Recycled Polyester	
Mult-Crepe	100% Pre-Consumer Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Myriad	81% Pre-Consumer Recycled Polyester, 19% Post-Consumer Recycled Polyester	
Mystic	100% Recycled Polyester	
Mystique	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Orbit	100% Pre-Consumer Recycled Polyester	
Origin	100% Pre-Consumer Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Ovation	100% Post-Consumer Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.

Phoenix	100% Urethane - PVC Free Brushed Woven Rayon Backing	No Chlorine, bromine or phthalate ester plasticizer used in the manufacture of Phoenix. Many of the materials used to manufacture Phoenix contain very low VOC content. Phoenix is protected by a top finish coating that contains organic solvents. The organic solvents (VOCs) portion of the top finish are removed during the manufacturing process. The final product contains only trace levels of VOCs. The material may meet chair/cushion VOC requirements.
Pick Up Sticks	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Pisces	100% Recycled Polyester	Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Portal	100% Post-Consumer Recycled Polyester	
Profiles	100% Recycled Polyester	
Ratio	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton. 100% of the electricity used is matched by GREEN-E certified Renewable Energy Certificate (www.green-e.org)
Realm	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton. 100% of the electricity used is matched by GREEN-E certified Renewable Energy Certificate (www.green-e.org)
Rebound	100% Recycled Polyester - 81% Pre-Consumer Recycled Polyester, 19% Post-Consumer Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
Replay	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
Resolution	100% Recycled Polyester	
Shantung	65% Pre-Consumer/35% Post-Consumer Recycled Polyester	

Solace	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton. Terratex is a registered trademark of True Textiles Inc, and designates fabrics that are made from 100% recycled or compostable materials using increasingly sustainable manufacturing practices to produce a high quality product that is recyclable at the end of its useful life.
Space Odyssey	100% Recycled Polyester - 77% Pre-Consumer Recycled Polyester, 23% Post-Consumer Recycled Polyester	
Twister	100% Post-Consumer Recycled Polyester Acrylic Backing	
Venetian	100% Recycled Polyester - 80% Pre-Consumer Recycled Polyester, 20% Post-Consumer Recycled Polyester	
Venue	80% Pre-Consumer. Recycled Polyester, 20% Post-Consumer Recycled Polyester	
Wind Chimes	100% Recycled Polyester	All Crypton products are environmentally preferable. Crypton is produced in a world-class manufacturing operation. Crypton is committed to green and has incorporated Crypton's optimized green formulation in all Crypton upholstery, meaning a greener Crypton.
